Indicators Used

INDICATOR	DESCRIPTION AND HOW IT WAS CALCULATED
on-time graduation rate	<p>Percentage share of students who completed the programme (including the final exam) until the end of September 2024 (this is considered an on-time graduation) in the population of students who enrolled into the programme (successfully completed recruitment and signed a contract with the University) and commenced studies in October 2021 (for bachelor study programmes) or in October 2022 (for master study programmes).</p> <p>Notes:</p> <ul style="list-style-type: none"> students who transfer into the programme from other programmes are added to the cohort; the indicator does not include students who completed their studies after September 2024.
